**Greg: I want to give testimony to the great service offered by Protective! As you are well aware, I have been utilizing your services back 25 +/- years (back when you were known as Kimball Alarms). It has been a great experience working with you, Greg and your associates. We have always rec'd 'top notch' service when it came to receiving a customized Security System for our Businesses and for our home in NJ and on the Eastern Shore of MD. We always received excellent, timely service when requested. Undoubtedly the neatest wiring jobs I've ever witnessed anywhere; and state-of-the-art wireless systems too! THE Monitoring services both in NJ and MD have proven to be very attentive and professional. Your pricing of services offered has proven very reasonable and competitive,**

**Would we engage the services of Protective Services Group, Inc. for future needs? Absolutely, without any hesitation what-so-ever! Thanks for the job "well done" over the past 25+ years!**

**Sincerely,  
Greg
